

## Calling all Clear Creek, Jeffco and Gilpin County Non-profits!

The Clear Creek Rotary, along with Al Frei and Sons Walstrum Quarry, is hosting their Touch-a-Truck event on Sunday, Sept. 10 from 10am-2pm. Kids of all ages can climb on and ride the giant earth movers, tour a fire engine, explore an ambulance, meet law enforcement personnel, and maybe even work the controls of a life-size excavator.

We are inviting you to set up a table or booth to get in front of families from all over the Front Range to inform them about what you do and recruit them to your services. There is ***no charge for you and parking is free***, but you will need to bring your own tables, tent, chairs, signs, etc.

Feel free to contact me with any questions. In the meantime, have look at photos from past events - <https://clearcreek2000rotary.org/PhotoAlbums/2019-touch-a-truck>

Please respond!

YES – count me in. I'll send a reminder early August.

MAYBE – ask me again in August.

NO THANKS – take me off your contact list.
